

CAMINOS DEL BONHOMME

CHARDONNAY

Appellation: Denominación de Origen Valencia
From the Terrerazo region, close to Utiel Requena.

Grape varieties: 100% Chardonnay

In a country where Chardonnay is rare and virtually unknown, Les Vins Bonhomme has joined with Antonio Sarrion of Bodegas Mustiguillo to produce a global wine with a unique Spanish accent. The grapes are grown and hand-harvested on terraced vineyards in a spectacular outcropping high on a slope ideal for soaking up the sun's rays. The unique terroir combined with warm days and cool nights, plus meticulous winemaking care results in beautifully hand-crafted white.

Vinification & Ageing

Our Chardonnay grapes are grown at higher altitudes and are carefully selected from the rolling hills of the back country of the province of Valencia. Approximately 70% of the assemblage is fermented in stainless steel vats whilst the remaining 30% is aged in 2-3-year-old French oak barrels. The work on the lees is performed with military precision, which allows a sufficient creaminess to unveil itself and, at the same time, allows us to extract the expressive minerality and the complexity of the Terrerazo's terroir.
